

# SOS CLINICS

Support Our Sisters  
Support Our Sisters

*The New Step for African Community (NESTAC) and the School of Nursing, Midwifery and Social Work at the University of Salford have led the development of FGM Drop-in clinics in Greater Manchester.*

*These culturally sensitive clinics aim to provide a transcultural therapeutic service to women who have undergone FGM, or to those who are at risk.*

*Friendly and safe environments!  
Feel comfortable and relaxed!*

**NESTAC** holds SOS Drop-in Clinics in:

**Rochdale (Thursdays 11am to 2pm):**  
Kirkholt Medical Practice  
Queens Drive, Rochdale, OL11 2NP

**Salford (Wednesdays 11am to 2pm):**  
Broughton Hub  
50, Rigby Street, Salford, M7 4BQ

## During drop-ins:

- An initial assessment
- One to one with clients
- Six free confidential cultural counselling sessions
- Referral, signposting to relevant agencies
- Referral to specialised services and hospitals for deinfibulation or other examinations
- Bilingual staff and volunteers available
- Advice and assistance regarding social needs

## Referrals routes:

- Self-referral
- Referrals accepted from voluntary and statutory agencies
